Tiny 12 Watt Wall Mount Power Supply with Level VI Efficiencies

Advanced Power Solutions (APS) announces the release of the PS1012 series of 12 Watt Wall Mount Power Supplies compliant with Level VI efficiency standards and approved for ITE applications.

The PS1012 Series offers single outputs ranging from 3.3 ~ 48 VDC in a small space-saving US Wall Mount package measuring only 2.64 x 1.67 x 1.06" (EURO / UK / AUS versions available). These power supplies feature Universal AC Input and High efficiency operation up to 87% with low "no-load" power operation for compliance with international Level VI Efficiency Standards. Built-In Over-Current Protection and Over Voltage Protection and international safety approvals with Class B Emissions make these products ideal for all types of low-power electronics applications.

Products are in full production with evaluation quantities available from stock and production quantities delivered in 8 weeks. Units are priced as low as \$4.40 in OEM quantities. Complete specifications are available from <http://www.advpower.com>. Contact APS at (925) 456-9890 or sales@advpower.com for sales & technical support.
